INTRODUCTORY NOTE

GENERAL

1. The libraries in this list receive material published by the United Nations for the General Assembly and its subsidiary bodies, for the three Councils and their subsidiary organs, and for the Secretariat. (Because the Registry of the International Court of Justice, The Hague, is autonomous in respect of depository and sales arrangements for Court publications, no information is given on libraries receiving them. Generally speaking, however, Court depositories include United Nations depository libraries.) Libraries generally receive their material

(a) free, as depository libraries, or

(b) free, as parliamentary libraries open to the public, or

(c) as official United Nations Information Centres/Services.

2. Each entry contains the following information:

(a) the name and the address of the depository and parliamentary library or information centre;

(b) the extent and language of the material deposited;

(c) the depository or parliamentary library code number;

(d) the beginning date of deposit (month and year), or the year of establishment in the case of information centres.

3. The depository and parliamentary libraries listed herein have undertaken to keep the material received in good order and under adequate control, and to make it accessible to the public, free of charge, at reasonable hours.

MATERIALS DEPOSITED

4. All depository and parliamentary libraries receiv automatically, according to their needs, all publication offered for sale, including *Official Records*, and publi information material distributed free, as available in th official language of their choice.

5. Those depository and parliamentary libraries tha are able to handle a larger volume of material, receiv in addition all other generally distributed documents an publications of the United Nations, whether reproduced b printing or other processes, as available in the offici language of their choice.

It should be noted that the bulk of the documents an all of the meeting records remain permanently in mimeo graphed form in the series of the non-sessional committee of the General Assembly, of all of the committees of th three Councils, of all series of the functional commission and regional economic commissions of the Economic an Social Council; and that this is likewise so of the series petitions and communications to the Trusteeship Counc and the observations thereon of the Administering Author ties. For this reason, inquirers for such material shoul be referred only to libraries listed as receiving it.

The reports of commissions to the Economic an Social Council, the reports of committees to the thre Councils and the reports of non-sessional committees the General Assembly will appear in the respective printe *Official Records*, as supplements or in the annexes. In quirers for whom such reports are sufficient may b referred to any library receiving printed material.

6. Included in the list are all United Nations Informatio Centres/Services existing as of 1 January 1971 establishe outside the Headquarters and the United Nations Office Geneva. The centres vary considerably in size of collec tions and extent of services available to the public.

NOTE EXPLICATIVE

OBSERVATIONS GENERALES

1. Les bibliothèques dont le nom figure sur la présente liste reçoivent les documents que l'Organisation des Nations Unies publie à l'intention de l'Assemblée générale et de ses organes subsidiaires, des trois Conseils et de leurs organes subsidiaires, et du Secrétariat. (Etant donné que le Greffe de la Cour internationale de Justice, à La Haye, arrête lui-même les dispositions relatives aux dépositaires des publications de la Cour et à la vente de ces publications, les bibliothèque dépositaires de la Cour ne sont pas énumérées dans la présente liste, mais ces bibliothèques sont aussi, en règle générale, dépositaires des documents et publications de l'Organisation des Nations Unies.) En règle générale, les bibliothèques reçoivent ces documents et publications:

(a) Gratuitement, si elles sont bibliothèques dépositaires;

(b) Gratuitement, si elles sont des bibliothèques parlementaires accessibles au public;

(c) En tant que centres ou services d'information officiels des Nations Unies.

2. La présente liste donne:

(a) Le nom et l'adresse de la bibliothèque dépositaire ou de la bibliothèque parlementaire ou du centre ou service d'information;

(b) L'importance du dépôt et la langue dans laquelle la documentation est reçue;

(c) L'indicatif de la bibliothèque dépositaire ou de la bibliothèque parlementaire;

(d) La date (mois et année) à laquelle le dépôt a commencé, ou l'année de la création, dans le cas des centres ou services d'information.

3. Les bibliothèques dépositaires et les bibliothèques parlementaires dont le nom figure sur la présente liste se sont engagées à classer et à conserver comme il convient la documentation reçue et à en permettre la consultation gratuitement au public à des heures normales.

IMPORTANCE DU DEPOT

4. Les bibliothèques dépositaires et les bibliothèques parlementaires reçoivent régulièrement, selon leurs besoins, toutes les publications destinées à la vente, y compris les *Documents officiels*, et la documentation d'information distribuée gratuitement, dans la langue officielle de leur choix.

5. Les bibliothèques dépositaires et les bibliothèques parlementaires qui peuvent maintenir une documentation plus volumineuse reçoivent en outre tous les autres documents et publications de l'Organisation des Nations Unies faisant l'objet d'une distribution générale, qu'ils soient imprimés ou reproduits par d'autres procédés, dans la langue officielle de leur choix.

Il convient de noter que la plupart des documents et tous les comptes rendus de séance demeurent sous forme miméographiée en ce qui concerne tous les comités et commissions de l'Assemblée générale qui ne se réunissent pas périodiquement, tous les comités et commissions des trois Conseils et toutes les commissions techniques et commissions économiques régionales du Conseil économique et social; il en est de même des pétitions et communications adressées au Conseil de tutelle et des observations y relatives formulées par les autorités administrantes. Les personnes qui désirent consulter ces divers documents doivent donc s'adresser uniquement aux bibliothèques qui sont indiquées comme les recevant.

Les rapports des commissions au Conseil économique et social, les rapports des comités et commissions aux trois Conseils et les rapports à l'Assemblée générale des comités et commissions qui ne se réunissent pas périodiquement figurent dans les *Documents officiels* imprimés en tant que suppléments ou dans les annexes. Les personnes à qui ces rapports suffisent peuvent s'adresser à toute bibliothèque qui reçoit les documents imprimés.

6. La présente liste énumère également tous les centres ou services d'information qui, au 1er janvier 1971, avaient été créés hors du Siège de l'Organisation des Nations Unies et de l'Office des Nations Unies à Genève. L'importance des collections et la gamme des services destinés au public varie beaucoup d'un centre ou service à un autre.

NOTA INTRODUCTORIA

ENERALIDADES

Las bibliotecas que figuran en esta lista reciben material publicado por las Naciones Unidas para la Asamblea eneral y sus órganos subsidiarios, para los tres Consejos sus órganos subsidiarios, y para la Secretaría. (Como la ecretaría de la Corte Internacional de Justicia, en la Haya, ocupa en forma autónoma de las disposiciones relativas depósito y venta de las publicaciones de la Corte, no se cluyen aquí indicaciones que especifiquen las bibliotecas e reciben estas publicaciones. En términos generales, n embargo, entre los depositarios de las publicaciones la Corte figuran muchas bibliotecas depositarias de las aciones Unidas.) Las bibliotecas generalmente reciben s materiales

(a) gratis, en su calidad de bibliotecas depositarias, o

(b) gratis, en su calidad de bibliotecas parlamentarias abiertas al público, o

(c) en su calidad de Centros o Servicios de Información de las Naciones Unidas.

Cada rubro incluye la siguiente información:

(a) el nombre y la dirección de la biblioteca depositaria y parlamentaria o del centro de información;

(b) el alcance del material depositado y el idioma en que está publicado;

(c) el número de código de la biblioteca depositaria o parlamentaria;

(d) la fecha inicial de depósito (mes y año) o el año de creación, en el caso de los centros de información.

Las bibliotecas depositarias y parlamentarias que uran en esta lista mantienen el material recibido en den y bajo control adecuado, y lo ponen a disposición del blico en forma gratuita y con horarios razonables.

MATERIALES DEPOSITADOS

4. Todas las bibliotecas depositarias y parlamentarias reciben automáticamente, según sus necesidades, todas las publicaciones que se ofrecen en venta, incluso *Documentos Oficiales* y el material de información pública distribuido gratuitamente, a medida que está disponible en el idioma oficial de su elección.

5. Aquellas bibliotecas depositarias y parlamentarias que pueden manejar un gran volumen de material reciben además todos los otros documentos y publicaciones de las Naciones Unidas de distribución general, reproducidos en forma impresa o de otro tipo, a medida que están disponibles en el idioma oficial de su elección.

Debe advertirse que en las series de las comisiones de la Asamblea General que se reúnen fuera de los períodos de sesiones de ésta y en las de todas las comisiones de los tres Consejos, así como en todas las series de las comisiones orgánicas y de las comisiones económicas regionales del Consejo Económico y Social, el grueso de los documentos y todas las actas de las sesiones quedan de modo permanente en forma mimeografiada; ocurre otro tanto con las series relativas a las peticiones y comunicaciones dirigidas al Consejo de Administración Fiduciaria y a las observaciones que sobre ellas envían las Autoridades Administradoras. Por ello, los interesados en tales materiales deben dirigirse únicamente a las bibliotecas que los reciben.

Los informes de las comisiones al Consejo Económico y Social, los informes de comités o comisiones a los tres Consejos y los informes de las comisiones de la Asamblea General que se reúnen fuera de los períodos de sesiones de ésta aparecen en los respectivos *Documentos Oficiales* impresos, bien en forma de suplementos, o bien en los anexos. Los interesados a quienes basten esos informes pueden dirigirse a cualesquiera de las bibliotecas que reciben las publicaciones impresas.

6. En la lista se enumeran todos los Centros o Servicios de Información de las Naciones Unidas, establecidos fuera de la Sede y de la Oficina de las Naciones Unidas en Ginebra, existentes al 1o. de enero de 1971. Hay considerables diferencias entre esos centros en cuanto al volumen de sus colecciones y a la amplitud de los servicios que prestan al público.
